Grow Hope Markdale

Working together to help end global hunger

The Goudy family report, "The field of wheat is growing!"

Picture of the sign at the field with some of the Goudy family.

Please pray for sunshine and drier weather! This has been an unusually wet and cool spring. The plants need sunlight to grow and produce the crop of wheat.

When the wheat is harvested later this summer, the proceeds (minus the farmer's costs) will be sent to Canadian Foodgrains Bank.

Harvest Celebration Weekend – will be **August 23, 24, 25** Mark it on your calendars!

The field is the same field that has been used for many years for the Markdale / Cambridge CFGB growing project.

Help us end global hunger.

On April 7, the Goudy family were presented with a certificate of appreciation signed by Jim Cornelius, Executive Director of Canadian Foodgrains Bank and Elaine Bumstead, Executive Director of Nazarene Compassionate Ministries Canada. This is the 23rd year that the Goudy family have donated the use of their land for the CFGB Growing Project. A total of more than \$250,000 has been raised over the years to feed hungry people in our world. When matched by government funds this has translated into well over a million dollars worth of food! Thank you, Goudy family!!
