

GROW HOPE MARKDALE / SEEDS OF LIFE

*HELP US FEED HUNGRY
PEOPLE IN OUR WORLD*

GROW HOPE Markdale

BECOME AWARE

Sponsor an acre of crop for \$400 which pays for:

- preparation of the soil
- seed, fertilizer, cost to plant the crop
- weed control
- harvest
- storage and transport of the crop
- some land rental costs

The farmer plants, cares for the crop, harvests, and sells it. The expected return is about \$500 per acre which goes to the Canadian Foodgrains Bank. Depending on the project, it may be matched up to 4:1 by the Canadian government. \$400 becomes as much as \$2500 worth of food for hungry families.
